

### Thank You

Last Friday we celebrated Children in Need and the children were invited to wear a brightly coloured/spotty top. I am pleased to announce that we raised an incredible **£756.65** which has been donated to this worthwhile cause. Thank you for your kind generosity and support.

### Year 1 Stratford Discovery Centre Trip

Year 1 had a fantastic trip to fairy tale land at the Discovery Centre, Stratford this week. In the morning, we headed off in the coach for a magical experience. There was a story tale session where we acted out a story told to us by our storyteller and even got to create our own special clothing out of colourful materials.

We then decorated our own special buttons with feathers and tissue paper to take with us to fairy tale land. Fairy tale land was simply amazing. We had bricks made of straw, wood and bricks to help the three little pigs, there was the three bears house and so much more.

We played in all the fairy tale areas and had such fun. When we returned to school we had our delicious packed lunches.

The day was a great success.

### Year 2 Toy Workshop

This week our children in Year 2, took part in a fantastic toy workshop! They had the opportunity to explore and play with a range of toys from the past and even created their very own wooden toy! They thoroughly enjoyed the entire toy making experience. Here are some examples of Year 2's creations:

### Year 3 Verulamium Museum

Yesterday the Year 3 children visited the Verulamium museum in St. Alban's. The children had a fantastic day exploring the museum. They handled genuine Roman artefacts, visited a Hypocaust and saw some beautiful mosaics. The children were exceptionally well behaved and were an asset to the school!

Well done Year 3

### Attendance 15th November - 19th November 2021

Congratulations to the following classes for achieving the highest attendance percentage in their Year Groups; over 96%.

Year Group	Class	Attendance %
Year 1	Maple	98.5%
Year 2	Cherry	97.9%
Year 3	Beech & Sequoia	98.5%
Year 4	Hazel	100%
Year 5	Eucalyptus	98.3%
Year 6	Aspen	98.4%

The minimum target for attendance each week as set by the Government is 96%. During the above period our overall school attendance was **97.4%**.

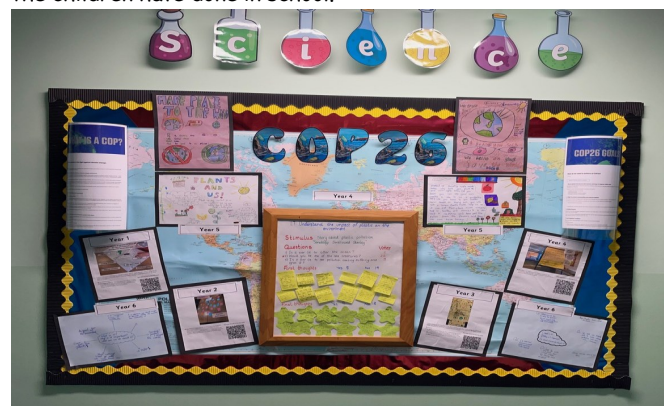

Well done to **Hazel class** for achieving 100%.

### Waltham Forest Climate Summit

All year groups across our school registered to take part in the first Waltham Forest Climate Summit. We took part in a week of actions and lessons on the important topic of climate change which helps our pupils to see links between science and issues we face today.

The Summit is only the start of dedicated Climate Change Education opportunities from London Borough of Waltham Forest.

This is a display of just an example of some of the fantastic work the children have done in school.

### Healthy Packed Lunches

Please note that **sweets and chocolates** are not allowed in children's packed lunches. This includes chocolate covered biscuits. There is an increasing number of children who are having these as part of their packed lunches. We are a NUT-FREE school. We have some children with nut allergies and a reaction could be severe. **Peanut Butter/Nutella** or any other nut based spreads should not be brought into school via children's packed lunches.

We are a healthy school and maintain this throughout the school. It is most important that your child's lunch be nutritious and filling. For ideas for healthier lunches, please visit any of the websites listed below:

## Joke of The Week

Q. What did the man say when a book fell on his head?

A. I only have my-shelf to blame!

## Vocabulary Corner

**Contemplate** = to think about or look at for a long time.  
Deep thinking.

Example:

Jane wrote to her family saying she would **contemplate** moving to Switzerland.

One scorching-hot morning sun in the western side of Jamaica. Maxx was sweating with the hot sun beaming down on down on him. He saw his very own long lost brother's mountain bike from 2003. Maxx sprinted towards it he finally got there he saw a brilliant, awesome jungle up ahead. He had not rode it since 2002. when he was 7 years old. So he started the engine up and rode off to the jungle Maxx found a helmet. He put it on and set off once again. He swerved around thick trees for HALF AN HOUR! Finally he made it to the jungle. But a second later, his mountain bike smashed over a massive rock and sent Maxx flying.

When he landed, he broke his  
leg Suddenly his brother James  
came out of nowhere...
