Science Week

BRITISH WEEK 11-20 March 2022 DOWNLOAD YOUR ACTIVITY PACK'S NOW

British Science Week is a ten-day celebration of science, technology, engineering and maths that takes place between 11th - 20th March 2022.

The theme and this year's poster competition, is 'Growth'. The A4 poster could explore a tadpole's journey into a

fully grown adult frog or ways that population growth is affecting the planet.

At Chase Lane the children have been encouraged to submit their own original art to their class teacher by Monday 21st March 2022.

This week our pupils have had have the opportunity to participate in fantastic activities looking at all sorts of growth, including buildings, eco-friendly behaviours, animals and even how we can grow plants on Mars!

The Science Week activity pack now includes activities to enjoy at home. To download a free copy please go to

https://www.britishscienceweek.org/plan-your-activities/activity-packs/

Last week we celebrated International Women's Day which fits with Science Week celebrating diversity through 'Smashing Stereotypes'. Look on the Science Week website above to be inspired.

With the Easter break fast approaching, why not visit the Science Museum? Entry is free just book your admission tickets online at https://www.sciencemuseum.org.uk/see-and-do/welcome-back

St Patrick's Day

Yesterday was St Patrick's Day. Every year millions of people of Irish heritage around the world, celebrate St Patrick's Day.

But what does Saint Patrick's Day celebrate?

Well, St Patrick's day is traditionally a

religious celebration on March 17th March to celebrate a Christian Saint named Patrick. It is a celebration of Irish history and culture, and is a national holiday in the Republic of Ireland and Northern Ireland.

Here are some fun facts about St Patrick's Day:

Saint Patrick's Day started in Ireland.

Patrick is remembered for bringing Christianity to Ireland.

He is the patron saint of Ireland.

He may be the patron saint of Ireland, but he was actually born in Britain, in the late 4th century AD.

Saint Patrick's Day parades are held in Ireland and in America, New York city and Boston have the largest St Patrick's day celebrations

So why are Shamrocks, Leprechaun and Pots of Gold associated with St Patrick's day?

Shamrocks - Saint Patrick used the shamrock to explain the Holy Trinity to Irish Christian converts.

Leprechaun and Pots of Gold - Some believe that the leprechaun is an unfriendly Irish fairy and that if you catch one they are forced to tell you where their pot of gold is

Happy St Patrick's day to our families of Irish heritage that may be celebrating over the weekend.

The minimum target for attendance each week as set by the Government is 96%. During the above period our overall school attendance was **95.4%**.

Parent Consultations 28th - 31st March

Please remember the deadline to book your parent consultation on SchoolPing is **Wednesday 23rd March**.

If you have already booked your appointment, please ignore this message.

Reminders

The last sessions of after school clubs and Year 2 & 6 after school boosters all end next week due to Parent Consultations taking place Monday 28th March - Thursday 31st March.

⇒ Please remember that School will close *one hour earlier* on Friday 1st April for the Easter holidays. Please make sure your child/ren are collected promptly on that day.

Thank you in advance for your cooperation.

PTA (Parent, Teacher Association)

A PTA (Parent, Teacher Association) is a great way to bring together parents, teachers and the school community to raise funds and to support the school. Here at Chase Lane our PTA is known as the 'Friends of Chase Lane' The Friends is a registered charity that raises money for the school and they spend that

money to enrich the lives and benefit all children.

Our current PTA members have worked really hard over previous years to arrange many fun events such as:

Family Bingo Lower & Upper Phase Discos Christmas Fairs Easter Fairs Summer Fair Year 6 BBQs & Leaver Discos

All the events have been a huge success and I thank all of the members who supported the events.

Remember, we thrive when more people help out.

The PTA is now down to just 4 dedicated members. If you would like to help by joining the Friends Committee, volunteering to assist at events and suggest new ideas, then WE NEED YOU!

Please contact <u>friendsofchaselane@hotmail.co.uk</u> to express your

interest and the Friends will reply to you.

Hopefully with enough volunteers the school will be able to have a Summer Fair next term.

ECO News Earth Hour

Earth Hour is a worldwide movement in support of energy conservation and sustainability, sponsored by the World Wildlife Fund (WWF). Earth Hour takes place every year, at 8:30 pm on the last Saturday of March.

It's a special event where millions of people in over 190 countries around the world will

switch off their lights for one hour, to show how much they care about the future of our planet and want to look after it. Across each continent, this one small act reminds all of us of our enormous impact on planet Earth

Earth Hour encourages you to think about the amount of energy we use (or waste!) every single day which contributes to our planet heating up — a process known as climate change or global warming. Chase Lane is committed to being eco-friendly and doing the best for our planet.

Please set yourself a reminder to join us and switch off your lights for one hour on Saturday 26th March.

Engine Off at Every Stop

If you drive to school, please turn your car engines OFF when dropping off or picking up children/family members at the school

Idling cars give out fumes which are dangerous and damaging for us all, especially our children.

An idling car wastes gas and burns oil, which is bad for the environment

Thank you for doing your part to help save our planet.
