#### Welcome Back

Welcome back to the final part of the summer term 2021-2022.

I hope you all managed to enjoy the jubilee celebrations over the long bank holiday weekend. Whether you went to a parade in London, celebrated with family and friends at home or simply caught up with highlights on the television, we all witnessed a magnificent moment in history that we may never see again in our lifetime!

Now that we are operating the school with far greater openness and society is relaxing into life beyond COVID, teachers seem to be going crazy booking lots of trips and excursions for the children. This has been a feature that has been missing for far too long and we are really pleased to be able to do this. Please remember that all of the trips take careful planning and often need parental support so if you are able to help we all appreciate your support a great deal.

Later this month and weather permitting, we are looking forward to holding this years sports day. This year we will be inviting parents into to watch the fun for the first time since 2019! Further details will be published next week.

Mr Jeffery

#### Year 2 African Workshop

On Wednesday Year 2 thoroughly enjoyed their African mask and dance workshop! They created their very own designs that were inspired by Western African art onto masks sculpted from sustainable Albesia wood. They then used their handicrafts to learn an African Mask Dance!

# Dennis to the Rescue

This week 'Dennis to the Rescue' visited Year 4. The children boarded the truck and took part in a recycling game and other interactive exercises. They had a presentation which showed them the benefits of reducing, reusing, and recycling waste. The session was very informative and fun!

#### Dropping children off in school

Parents/Carers are kindly reminded that unless your child is in Year 6 and has permission to walk to school independently, all children must be taken to KS1/KS2 playground and not dropped off at either the entrance to the school or by the road closest to Soper Close. This is due to safeguarding, as we need to make sure all of our children are safely in school ready to start their learning.

#### Attendance 23rd May - 27th May

Congratulations to the following classes for achieving the highest attendance percentage in their Year Groups over 96%.

| Year<br>Group | Class      | Attendance<br>% |  |
|---------------|------------|-----------------|--|
| Year 1        | Maple      | 97.6            |  |
| Year 2        | Hawthorn   | 97.3            |  |
| Year 4        | Willow     | 97.3            |  |
| Year 5        | Eucalyptus | 97.3            |  |

The minimum target for attendance each week as set by the Government is 96%. During the above period our overall school attendance was 94.3%.

# Upper Phase Disco - Years 3,4 & 5

The PTA will be hosting a disco for children in Years 3, 4 & 5 on **Friday 24th June** from 6.30pm—8.30pm. Tickets cost £5 on the door which includes 2 snacks and unlimited drinks.

If you are available to help out at the disco, please email the school office <a href="mailto:chaselanepri@clpwaltham.org.uk">chaselanepri@clpwaltham.org.uk</a>

with the subject title 'Upper Phase Disco Volunteer' and give us your contact details. We then pass them to the PTA.

### London Transport Museum

Yesterday the children in Year 3 were incredibly lucky to visit the London Transport Museum and see the vast different changes to the way Londoners have travelled over the years. We also took part in a fantastic workshop about the many people and families who travelled to London from the Caribbean in the 1950's to help drive buses, trains and keep London moving!

# Playground Equipment

Please can we remind all parents that the school climbing frames are not to be used either before or after school this is because it is a very busy time and we need to make sure everyone leaves in a safe and calm manner. Many thanks for your understanding.

# Joke of the Week

Q. How do you make an octopus laugh?

A. With ten-tickles!
