

Friends of Chase Lane Thank You

The Summer Fair is back!

We are so excited that the Summer Fair will be taking place this year.

Join us this weekend on Sunday 10th July, 12pm - 3pm.

We are looking forward to seeing as many families as possible to take part in all the fun activities that the Friends of Chase Lane PTA have planned.

Olive Class Swimming Lessons

Olive class swimming lessons continues next week Monday 11th July through to Friday 15th July. The children must arrive to school at 8.25am wearing their swim wear under their uniform.

Please don't forget to send your child in with a clean dry towel, a £1 coin for the lockers (refundable) and of course clean underwear to put on after they have finished their swimming lesson.

Dates for the Diary

Whole School Transition Day Monday 11th July

Earlier today a Transition letter was sent out via SchoolPing with full details of our transition day taking place on Monday 11th Jul.

Transition day is when the children get to spend some time in their new class for next year with their new class teacher. It is very important that your child arrives to school on time on Monday.

IMPORTANT

Meadowsong

The children who attended choir club this term have been working hard this term to learn the 'Meadowsong' and actions. The Meadowsong is all about encouraging a love of nature in children.

This week, the choir took part in the mass singing performance of the Meadowsong with other primary schools in the borough. The choir performed outside Waltham Forest town hall with a live band to accompany them, which was very exciting!

The children performed brilliantly and Miss Cushion was very proud of all of their hard work! Special thanks to all the parent helpers that came along to the rehearsal and the final performance to support the children.

World Chocolate Day

Yesterday Thursday 7th July was National Chocolate Day in the UK. National chocolate day celebrates the day in 1550 when chocolate was supposedly first brought to Europe.

Here are some interesting facts about chocolate:

Chocolate is made from the fruit of 'Cacao' trees. The fruits are called 'pods' and each pod contains around 40 cacao beans. The beans are dried and roasted to create cocoa bean

Cacao trees can live for up to 200 years!!

Chocolate has been around since ancient times. When we say ancient, we mean from the time of the Aztecs and the Mayans.

Chocolate gets its name from the Aztec word 'xocolatl' that referred to a bitter and spicy drink made from cacao beans.

In Mayan times, cacao beans were used as currency and considered to be worth more than gold dust. At one time you could pay for things with chocolate instead of money!

70% of the world's cocoa beans come from four West African countries: Ivory Coast, Ghana, Nigeria and Cameroon.

Milk chocolate was invented in Switzerland.

White chocolate does not contain cocoa solids and so **technically** isn't chocolate at all.

Dark chocolate has lots of nutrients that are good for you.

Women's Euros 2022

It's an exciting time for football fans as the Union of European Football Associations (UEFA) Women's European Championship 2022 is officially underway. The competition started this week on Wednesday 6th July and continues through to Sunday 31st July.

The UEFA Women's European Football Championship (commonly known as the Women's Euros) is a football competition that takes place every four years.

This year, England will host the 2022 European Women's Championship and it will be held at 10 **different** stadiums across England. The other stadiums hosting matches will be Brentford, Brighton, Leigh (Leigh Sports Village), Manchester City (Academy Stadium), Milton Keynes, Rotherham, Sheffield (Bramall Lane) and Southampton.

As host, England will be joined by teams from **15** other nations across Europe and will compete to be crowned champions of Europe.

The Women's England football team are known as 'The Lionesses'. This week the Lionesses played their first match against Austria and won 1-0. England have made it to the final twice but never won the Euros. However, they have a new manager now and are playing really well as a team. On Monday 11th July England will play Norway and we wish them all the very best.

Vocabulary Corner

Currency - the money that is used in a country.

Example: The **Pound sterling (£)** is the currency used in England.

Help Stop Food Waste

OLIO is an app that connects neighbours with each other and with local businesses so surplus food can be shared, not thrown away. This could be food that is nearing its sell-by date in local stores, spare home-grown vegetables, bread from your baker, or the groceries in your fridge when you go away. For your convenience, OLIO can also be used for non-food household items too.

Join millions of neighbours all over the world who are using OLIO to share more, care more and waste less.

So if you want to help fight waste, help your community and save our planet, click the link below and download the app:
