

NURSERY WOW Cloud!

We are so proud of all the learning and progress the children have made in school. We get as excited as you do watching the children grow and experience new things.

Parent involvement is very important to us. We are aware that the children experience and achieve so much not only at school but at home too.

When your child accomplishes something new at home or does something really exciting we would love to hear about it!

For example, helping make dinner, doing something they've found little scary for the first time, going to the park or a football match or becoming a big brother/sister. You don't have to do this immediately, may be in a week or two; it's up to you.

Whatever it is, we would love to celebrate their WOW Cloud with them.

Please fill out with their name and date and return to Nursery. If you can, please include a photo or your child could draw a picture of the WOW Cloud. We will share these at story time and then stick it in your child's special book.

Here are some examples:

Molly helped with the gardening.
She helped pull out all the weeds
and we planted seeds. She is so
excited and waters it every day
so the flower can grow.

Sam had his 4th birthday party.
We went to the park with his
friends. He said his favourite
present was dinosaur toy
because it makes loud roars!

Fatima became a big sister at
the weekend as her baby brother
Ayan was born on Saturday.

We look forward to reading them!

WOW!
