

Chase Lane Reading Competition 2023

We are going to be having a whole-school reading competition and we mean a **READING** competition. To enter you will need to post a video of yourself onto Seesaw where you either read an extract from your favourite book or you can simply post a book review of it instead.

Your video should be **no more than 30 seconds** long.

You need to start the video by **introducing yourself** and **what class you are in**.

Try to be enthusiastic and use your voice and actions to convey your enthusiasm.

Younger children's entries can be supported by an adult. Any child who does not have access to a device but still wants to take part should speak to their teacher and they can be filmed in school.

The children who post the best videos will be awarded a prize - they will be allowed to choose any book that they would like and the school will purchase it for them!

The **closing date for entries is Friday 27th February** with winners announced on World Book Day!

Use either the Seesaw app to login or you can go to: <https://app.seesaw.me/#/login> (see overleaf for further instructions logging onto Seesaw)

Please note this Seesaw is whole-school and is different to your regular Seesaw account.

Good luck to everyone who enters! We can't wait to see some of your performances!

If you decide to post with a book review you should include:

- Your name and class.
- The title of your book and author.
- An explanation of why you like the book.
- A recommendation for what sort of person would like to read it.

If you decide to post reading an extract then you should include:

- Your name and class
- The title of your book and author
- Read your extract with lots of enthusiasm

Logging onto Seesaw via the app

Find Seesaw on app store of Apple or Android device. It is free to download.

Once downloaded, open the app and select 'I'm a student'.

On the next screen, select 'Scan Code' and then use the camera to scan the QR code below.

When you are logged on, click on the green 'Add' button to add your video.

Logging onto Seesaw via a web browser

Open your web browser and go to: <https://app.seesaw.me/#/login>

Once downloaded, open the app and select 'I'm a student'.

On the next screen, select 'Scan Code' and then use the camera to scan the QR code below.

When you are logged on, click on the green 'Add' button to add your video.

Please note this is a whole-school Seesaw account and your videos will be seen by all who log onto the account. Your video may not immediately appear as they need to be approved by a teacher.
