Year 6 SATs

The children in year 6 completed their SATs tests this week in English and Maths. We will not find out the results of how they went for quite some time yet but regardless of that, I would like to share how proud we all are of the children. The children were brilliant!

All the children showed great resilience and determination taking each day in their stride and completing the tests as if it were just another day in the office!

Children you are all amazing and you should be very proud of all of your efforts. Well done!

Thank you parents/carers and Year 6 staff that have supported them all year.

Now that the SATs are over, Year 6 have lots of exciting activities to look forward to in the coming weeks along with preparing for their end of year production.

Attendance 2nd May - 5th May 2023

Well done to the following classes for achieving the highest attendance percentage in their Year Groups ;- over 96%. The minimum target for attendance each week as set by the Government is 96%.

Year Group	Class	Attendance%
Year 1	Acacia	100%
Year 2	Ash	98.8%
Year 3	Hawthorn & Cedar	100%
Year 4	Sequoia	98.8%
Year 5	Willow	100%
Year 6	Aspen	100%

During the above period our overall school attendance was 96.2% . Well done to the following classes:

Acacia, Hawthorn, Cedar, Willow and Aspen for all getting 100%.

Excellent effort children!

King's Coronation Celebration

As part of the King's coronation last week, children took part in various activities in school. The Nursery children made some delicious royal biscuits fit for the new King and Queen, Reception made some amazing flags, some children made crowns, portraits of the king and some created collaces.

Well

Done

Year 2 & 3 PTA Disco

It's party time for children in Year 2 & 3! The Friends of Chase Lane PTA Disco takes place tonight 6.30pm - 8.30pm.

Entrance fee £5 to be paid at the door. Send your children to come and have lots of fun with their friends.

Enjoy a live DJ with lots of great music, fun and games! We hope to see you later.

Friends of Chase Lane PTA

Year 2 & 6 Boosters Have Ended

Year 2 & 6 after school boosters have now ended. Parents/carers of those children that attended these session are kindly reminded to collect your children at the usual times of 3.30pm & 3.35pm next week.

Joke of the Week

Q. Can a kangaroo jump higher than a house?

A. Of course... houses can't jump!

Eurovision 2023

Tomorrow night all eyes will be on Liverpool as the city hosts this year's Eurovision Song Contest.

The Eurovision Song Contest is an annual international song competition which mainly features a mix of European countries, although a few non-European nations (such as Australia and Israel) can also take part. It's the world's biggest international song competition with

more than 160 million people from around the world expected to watch the final!

Thirty seven countries have entered the contest and for the first time in its history, viewers outside Eurovision countries are able to vote for their favourite acts.

This year Mae Muller has been chosen as the UK's entry. She will be hoping to follow the success of Sam Ryder who came second in the competition last year.

Mae is a 25 years singer from North London and she will be performing her own track called 'I Wrote A Song'. Mae has said the artists that have inspired and influenced her throughout her life include Prince, Gwen Stefani and Florence Welch.

We wish Mae Muller all the very best for tomorrow.

National Walk to School Week

Chase Lane will be participating in National Walk to School Week, which will take place from Monday 15th May to Friday 19th May. We are inviting all our students to join thousands of children across the country who are celebrating the benefits of walking.

During this week, we challenge our pupils to walk at least a mile every day, which only takes 20 minutes. By doing so, they can collect gold stickers for their resource card. Last year, over 27,000 pupils in Waltham Forest participated in this event, and we hope to see even more students this year. If you cannot walk to school you can still take part by walking for 20 minutes

MAA

WALK TO SCHOOL WEEK

A five-day walking challenge that is the perfect activity to run as part of National Walking Month

Walking is an excellent way for our children to stay active and healthy, and it also helps to reduce pollution and congestion around the school. We want to see as many children as possible walking to school, and we have free resources

in your local area!

available to make it easy for them to participate.

Today your child will have brought home these resources which include: include a Walk to School Week information card, gold stickers for each day they walk. There is also a fun drawing competition with a chance to win some exciting prizes!

If your child would like to take part, please collect a competition sheet from the main school office. Let's see how many Chase Lane Primary School pupils can join in the fun and walk to school during National Walk to School Week!

The Importance of Reading

Reading strengthens our brains, helps widen our vocabulary and aids in our ability to understand information. Reading also improves our writing skills.

There are SO many benefits to reading. Reading improves our memory, helps us to learn and even reduces stress!

One of the best ways to help your child at home is by encouraging them to read!

Here are some quick and easy tips that you could use at home to encourage your child to read more:

BENEFITS OF READING

Read for 20 minutes a day with your child.

- Join your local library https://libraries.walthamforest.gov.uk/user/register
- Create opportunities for writing, for example thank you letters after birthdays, or letters for relatives living far away.
- Block out the time in the evening. For example 4.30pm 5.30pm homework, 6pm - 7pm reading (maybe slightly later for working parents).
- Identify your child's hobbies and then build their reading books around that. If they are into sports, buy them books about their favourite sportsperson.
- Children's magazines are great at introducing reading to children who resist books.
- Email your child's teachers for recommendations on books.
- Encourage your child to visit the school library.
