

Autumn Clubs Have Ended

Autumn term extra-curricular clubs have now ended. If your child attended a club this term (especially one after school) please make sure you collect them at the correct time of 3.25pm/3.30pm/3.35pm next week.

Spring term club letters have gone out and parents have been informed. If you do not receive a response by **1st December** this means that your child was not successful for clubs in the Spring term. If your child has been given a space in a club, we kindly ask that you make the club payment via ParentPay.

Year 6 parents/carers are politely reminded that children are not allowed to walk home alone after a club.

No Year 2 & 6 Boosters Next Week

Due to parent consultations taking place next week, there will not be any after school boosters for children in Years 2 & 6 on Thursday 30th November. Please make sure your child is collected at the correct time of 3.25pm/3.30pm.

The booster sessions will continue again on Thursday 7th December with the last booster for autumn term taking place on Thursday 14th December.

Year 1 & 2 Sportshall Athletics

On Tuesday several children from Year 2 went to the Peter May Centre to compete in a Waltham Forest Sportshall athletics competition. They took part in lots of different activities such as throwing bean bags, racing, jumping and even throwing javelins!

The children did brilliantly, finishing 8th out of 33 teams.

Well done to all the children who took part, you did Chase Lane proud!

Artificial Grass

Nursery are looking for offcuts of artificial grass to help enhance our small world and investigation activities. If you have any that you no longer need please can you drop off to the main office.

Thank you!
Nursery Staff

Reading Volunteers

At Chase Lane we believe in fostering a supportive learning environment for our students, and we are reaching out to our wonderful community for assistance. We are seeking dedicated parent volunteers to listen to our Year 1 and 2 children read. Your involvement can make a significant impact on a child's reading journey.

If you can spare some time to listen to our young readers, we would be grateful for your support. By working together, we can enhance the reading skills and confidence of our students.

To register your interest, please email Mrs Dasilva chaselanepri@clpwaltham.org.uk. Please title your email 'Reading Volunteer'.

You will then be invited to a short meeting on **Thursday 30th November at 9am** where Mrs Harper will go through our volunteering policy and safeguarding procedures.

Competition Winners

A big thank you to all the families that entered the anti-bullying competition where you posted a picture of yourself/family with the theme of making a noise/being loud.

Huge congratulations to the winning entries who are listed below. Those children will receive a certificate next week.

Child	Class
Mira	Pear class (Nursery)
Cemal	Pear class (Nursery)
Deniz	Eucalyptus Class
Jacob	Sassafras Class

LOCATION: **CHASE LANE PRIMARY SCHOOL**
YORK ROAD, E4 8LA

Interested in participating please email:
pta@clpwalham.org.uk

Organised by Friends of Chase Lane Primary School Charity Volunteers

Flu Nasal Spray Reminder

Earlier this week the immunisation nurses were in school administering the winter flu nasal spray. They will be back for a second session on Monday 27th November. Parent/carers, please note that this will be the final chance for you to have your child vaccinated. The vaccination team have advised schools that no flu vaccinations can be given past the 15th December this year so it is vital they vaccinate as many children before this date. Please see the details below with the E-consent link to submit a form if you haven't done so already.

Flu immunisation for pupils in school years Reception - Year 11

DEAR PARENT/CARER,

The flu vaccine is being offered at your child's school again this autumn/winter.

To give consent for your child to have the flu vaccine, please click here:
<https://london.schoolvaccination.uk/flu/2023/walthamforest>

Even if you do not wish for your child to have the vaccine, please complete the online form so that we can record your wishes.

THE NASAL FLU VACCINE

- ✓ Protects your child from the flu
- ✓ Protects your family and friends from the flu (especially those who are elderly, young babies, or those who have serious health conditions)
- ✓ Is painless, quick and effective
- ✓ Is free
- ✓ The nasal flu vaccine is very effective at reducing the spread of flu

THE IM FLU VACCINE

We also offer the flu vaccine as an injection, which is **gelatine-free**. Please see our Frequently Asked Questions for more information.

You only need to complete one consent form for each child. If you later change your mind, please call your local team. If your child has this immunisation elsewhere after you have submitted the consent form, you **MUST** inform Vaccination UK rather than the school.

We understand that you may have questions about the vaccine. For more information, please go to our website, where you can find a list of FAQs, as well as details of our community catch up clinics. We also have some FAQs enclosed below.

You can also find informational videos on our YouTube channel, including subtitled versions for other languages.

Yours Faithfully,
Your Local Immunisation Team

WORKING ON BEHALF OF

USEFUL INFO

- ✓ We endeavour to come to your child's school twice. If they are absent or unable to be vaccinated at school, you will need to attend one of our community clinics for the vaccine. Details of these can be found on our website or you can contact the team above.

✗ **PLEASE NOTE** the flu vaccine will **NOT** be available to otherwise healthy children after December 15th at all, and so we urge you to return the consent form as soon as possible in case we are not able to visit your child's schools for a second visit this year.

- ✓ Your consent will remain in place for the entire flu season. If your child misses a first visit, you do not need to complete a second form.

dpo@vaccinationuk.co.uk

ADDITIONAL INFORMATION

*The consent form needs to be signed by a person with parental responsibility which includes:

- Mother: automatic
- Father: if married to the mother either when baby is born or marries subsequently
- Unmarried father: if name appears on birth certificate (since 1/12/03) or legally acquired
- Others: if parental responsibility is legally acquired
- Parental Responsibility Agreement: signed, properly witnessed and sent for registration to Principle Registry or the Family Division (High Court)
- Residence Order: granted by the Court

Please note that young people under the age of 16 can give or refuse consent if considered competent to do so by nursing staff.

FREQUENTLY ASKED QUESTIONS

Are there any side effects of the vaccine?

Possible side effects are: decreased appetite, headache, a runny or blocked nose, and sometimes a raised temperature. These are common, but they pass quickly and can be treated with paracetamol or ibuprofen if you feel your child needs it.

Are there any children who shouldn't have the nasal vaccine?

- You should let us know if your child has any of the following:
 - A very severe allergy to eggs, egg proteins, gentamicin or gelatine - It is important for us to know if your child has been admitted to hospital with a condition called anaphylaxis, triggered by these things.
 - Are currently wheezy or have been wheezy in the past 72 hours with asthma. There is an alternative flu vaccine that we can talk to you about to ensure that your child is protected as soon as possible.
 - Have a condition that severely weakens their immune system.

Also, children who have been vaccinated should avoid close contact with people with very severely weakened immune systems for around two weeks following vaccination (By severely weakened, we generally mean people who are isolating, such as those who have received some types of chemotherapy or people who have had a bone marrow transplant, for example). This is because there's an extremely remote chance that the vaccine virus may be passed to them.

Contact with other healthy children or adults does not need to be limited after having the vaccine.

We do not eat pork products.

Can my child have a different flu vaccine?

Yes. There is a flu vaccine available, in the form of an injection.

The nasal flu vaccine is the best vaccine for children and young people under 18 years of age as it is more effective at stopping the spread of flu and it is painless, but it does have a highly processed form of gelatine (porcine gelatine), which is used in a range of many essential medicines. The gelatine helps to keep the vaccine viruses stable so that the vaccine provides the best protection against flu.

If your faith or beliefs mean you would prefer a vaccine that has no pork (porcine gelatine) in it, please complete the consent for the flu injection only. You do not need to complete a form for both.

Diary Dates Autumn Term 2023-2024

Any additions/changes to the diary dates are highlighted in purple text

Autumn Term

Monday 27th November	9.00am - 12pm Year 6 Height & Weight
