Nursery Loves South Chingford!

Last week the Nursery children visited the local shops as usual but this time they took a few small bottles of water with them to water the bedding plants that the Love South Chingford Community group had planted. The children were very proud of their watering and helping the plants grow. We were delighted to hear back from the group who replied;

"What a wonderful thing the children did. How great to hear children at a young age are being encouraged to care for and look after our environment. A big thanks to the Nursery for making such an effort for the community."

Perhaps when you are visiting the local shops you could take a small bottle of water with you and water the plants as well?

Nursery Trip to Ridgeway Park

The Nursery children and their families had a fantastic time on Wednesday visiting Ridgeway Park. Many, many thanks to everyone who joined us to make it such a success. Everyone was treated to a funny magic show by Mr Zippy and lots of rides on the Miniature Railway. Our thanks to the Friends of Chase Lane for providing this for the children and to the Railway volunteers for opening especially for us.

The Railway operates on a Wednesday and Sunday afternoon, 2.00pm -5.30pm, throughout the summer and they would love to see you!

Cost of School Meals

Just a reminder to all Year 2 parents of children going into Year 3 parents in September. The Universal Free School Meal entitlement ends and from Year 3 children having a school meal will have to pay. The cost of a school meal is £2.20 per day (£11.00 per week).

School Uniform Shop Open in Summer Holidays

The school uniform shop will be open between 11am and 12 noon on **Friday 31st August 2018** in the Community Room to purchase any items of school uniform.

FREE Activities in Waltham Forest

Summer is almost here which means there are FREE exciting inclusive activities for children and young people across the borough during the Summer Holidays. This includes FREE family sessions for 5 to 11 years and FREE holiday activities for 11 to 19 year olds (25 for children with SEND). All sessions are inclusive and provide opportunities for children to try new activities and learn new skills, whilst having fun and making new friends.

Another Year Over

As I say every year, this year has truly flown by and I trust you are all looking forward to a lovely long summer holiday!

As our Year 6 children move on from Primary to Secondary school, I would like to wish them well for the future and say a special goodbye and good luck on behalf of all the school staff.

We have had another fantastic year at Chase Lane and have watched the children grow and flourish. We have achieved fantastic test/task results for Reception, Year 1, Year 2 and Year 6 this year, which is a tribute to our children's commitment to their education, great family support and to our dedicated team of staff who support the children so enthusiastically.

The children have enjoyed various sporting events throughout the year; we have had success in external football tournaments, success in various DebateMate tournaments and of course the fantastic Young Voices event at The O2 Arena in London.

Our children have enjoyed many trips that have helped enrich their learning; trips such as the Queen Elizabeth Hunting Lodge, William Morris Gallery, Tower of London, Science Museum, British Museum, Verulamium Museum, Paradise Wildlife Park, Willow's Activity Farm to name but a few.

School Closing for the Summer Holidays

Please remember that school closes tomorrow, **Friday 20th July** for the summer holidays one hour earlier at **2.25pm/2.30pm/2.35pm**.

Autumn Term 2018

Please remember that School reopens on **Wednesday 5th September 2018** at the usual time.
