26<sup>th</sup> February 2021

Dear Parents/Carers,

I hope my weekly update finds you all fit and well.

I am very pleased to report that Coronavirus recorded case numbers in Waltham Forest have continued to fall over the past week. I have seen first-hand the fantastic work being undertaken at St Edmunds Church hall in vaccinating thousands of members of our community. I take these as positive signs that we are finally approaching a better place in the pandemic. This does not of course mean that we can become complacent. Following the guidelines to keep our families and each other safe is imperative.

Every parent will be hoping to be provided with all of the information as to school's reopening today. I can confirm that the intention is to invite all children back from Monday 8<sup>th</sup> March. Unfortunately, it is not possible to provide all of the details yet as we continue to work on our risk assessment. Details for reopening will be provided next week but as mentioned earlier this week. Arrangements will be very similar to the Autumn term of 2020. This will include staggered start and end times, one way systems, children kept in class bubbles etc.

In preparation for a return to school you may have placed a uniform order on the school website. Children will keep growing! Orders can be collected on **Thursday 4<sup>th</sup> March between 10am – 2pm.**

This week we have seen a slight dip in children engaging in their online learning. Please remind all of your friends that we are learning online until Friday 5<sup>th</sup> March.

Very well done to Palm, Pine, Baobab, Hazel, Willow, Beech, Cedar, Sycamore, Sassafras and Aspen who have all achieved above 96% on one of the days.

Let's see if we can make our last week of online learning the best yet and get all classes up into the 90's.

Before half term over 200 parents took part in the parental survey. Thank you to all of those that completed the survey. The results were fantastic and some very positive comments were warmly received. In addition, we were able to identify some points of development for us as a school. This is all thanks to you and your feedback so I thank you again for taking part. The analysis of the results are available to view and will be sent to you on a separate message via SchoolPing.

Finally, before half term we made activity packs for the children with 9 creative activities and 9 physical activities for the children to take part in. A staggering 401 packs were collected and packs were given to the children in school so nearly 500 were shared altogether. I do hope that you enjoyed completing some of the challenges.

All that leaves is to wish you all a lovely weekend!

Kind regards everyone and stay safe.

Mr Jeffery
