Flu Nasal Spray Vaccine

Flu vaccination is one of the most effective interventions we can provide to reduce harm from influenza and pressure on our health, social and care services during the winter. The children's nasal spray flu vaccine is safe and effective. It's offered every year to children to help protect them against flu. Flu is caused by the influenza virus. It can be a very unpleasant illness for children. It can also

lead to serious problems, such as bronchitis and pneumonia. Children can catch and spread flu easily. Vaccinating them also protects others who are vulnerable to flu, such as babies and older people.

Earlier this week Flu Nasal Spray vaccine consent forms, were sent home. The consent form must be completed and returned to the school office via your child's class teacher even if you do not want your child to have it done. The completed form must be returned to the school office by Thursday 7th October.

Parents who do not want their child to have the flu nasal spray can opt to have their child receive the influenza injection (which does not contain porcine products) instead. If you would like your child to receive the flu injection immunisation, you must also request an influenza injection consent form from the school office.

The school nurses have recommended parents watch 'Flu Hero' which is a cartoon on YouTube https://youtube/w5LBU9KIay8 that gives child friendly information about the vaccine.

Macmillan Cancer Support

Last week Chase Lane staff held a MacMillan event to support Macmillan Cancer Support. Staff baked and donated some amazing sweet treats

A big thank you to Miss Gill and Mrs Brackpool for organising the event. We are really pleased to announce that we raised £296.22 for this very worthy charity.

Community News

October is Black History Month and Waltham Forest council are celebrating with a range of events for families including art exhibitions, storytelling, musical workshops, a chance to meet local black artists, authors, and more! In school cultural heritage continues to be celebrated within the curriculum and assemblies.

The London Marathon

The London Marathon is an internationally renowned long-distance race where runners run a course around the historic sites of London. Runners of all abilities take part in the race in order to raise money for different charities.

Last year, because of the coronavirus pandemic, the race had to take place virtually but this year the London Marathon is back and it's promising to be bigger and better than ever!

The wait for thousands of runners is

almost over as they take to the road on Sunday 3 October. This year, a record 100,000 runners are expected to take part in the 26.2 mile race.

There are usually thousands of supporters cheering the runners along the route, but this year, in order to keep crowds to a mini-mum, local people are being encouraged spread out around the course, rather than congregate in popular areas. Runners have also been told to only bring along one friend or family member to cheer them on.

Well done to all those taking part.

NO Parking In Soper Close

We politely ask that parents/carers, please do not to park in Soper Close, on the zig-zags or yellow lines. Thank you for helping to keep all our children safe.

Please do not park on the ZIG-ZAGS
