

RECEPTION WOW Cloud!

We are so proud of all the learning and progress the children have made in school. We get as excited as you do watching the children grow and experience new things.

Parent involvement is very important to us. We are aware that the children experience and achieve so much not only at school but at home too.

When your child accomplishes something new at home or does something really exciting we would love to hear about it!

For example, helping make dinner, doing something they've found little scary for the first time or becoming a big brother/sister. You don't have to do this immediately, may be in a week or two; it's up to you.

Whatever it is, we would love to celebrate their wow moments with them.

Please fill out with their name and date and return to school. If you can, please include a photo or your child could draw a picture of the WOW! moment. We will share these at story time and then stick it in your child's special book.

Here are some examples:

Molly helped with the gardening. She helped pull out all the weeds and we planted seeds. She is so excited and waters it every day so the flower can grow.

Sam had his 5th birthday party. We went to the park with his friends. He said his favourite present was dinosaur toy because it makes loud roars!

Fatima rode her bike for the first time without stabilisers. She was very proud of herself!

We look forward to reading them!

WOW
