

King's Coronation Celebration Friday 5th May

Next **Friday 5th May**, the whole school will be celebrating the Coronation of King Charles III as he becomes our new monarch after a staggering 70 years of the reign of the late Queen Elizabeth II. Elizabeth II was Queen of the United Kingdom and other Commonwealth realms from 6 February 1952 until her death in 2022.

To celebrate, we are inviting children to come to school wearing something **red, white and blue** with their school uniform. Please no football kits.

Every child from Reception to Year 6 will enjoy a Coronation Picnic lunch on the field (weather permitting!). Children in the Nursery will also have a small picnic during their normal Nursery session.

The children who usually receive a school meal will receive a royal packed lunch provided by the school kitchen. See the menu below.

Scooters & Bikes

This week there have been a number of scooters and bikes that have been left in the KS1 playground (Reception - Year 2).

Parents/carers are kindly reminded that scooters/bikes should not be left in the playground but should be stored away in the bike racks near the main office at the front of the school. If there is no space for your child's scooter/bike, you will need to take it home with you and bring it back at the end of the day.

Thank you in advance for your cooperation.

Rome Meets England Manager, Gareth Southgate

On Tuesday, Rome in Willow Class had the amazing opportunity to train with the England Manager, Gareth Southgate at Watford FC training ground. This was thanks to him winning The Elms 'Legends of Football Competition', where he was one of 20 lucky winners from thousands of entries.

On arrival at Watford's training ground, Rome was given an England kit for him to train in and he even got to keep it! In the training session Rome spent an hour and a half doing lots of different games, skills and drills before taking part in some small matches. During the matches Rome had all the grown ups talking about his amazing skill as he scored 4 goals to win the game for his team. However the most amazing thing was that he scored his third goal when Gareth Southgate was in goal and placed the ball through his legs!

At the end of the session all of the 20 children got to ask Southgate a question, with Rome asking him for some advice to help him become a future football star. Although I'm not sure Rome was expecting to hear that doing your homework is very important!

Afterwards, all the children got their footballs signed by the England manager and got their photo taken next to the real Premier League trophy!

On the day, Mr Wingrove was lucky enough to accompany Rome and his Dad to the training session and he said just how proud he was of Rome and the way he represented the school.

Well done Rome and hopefully one day we will see you playing for England again!

Peace Garden - Supplies Needed Please

We are working hard on developing our Peace Garden but need some supplies to help us. We would be grateful if you could please bring in any of the following:
kitchen or bathroom tiles (for our mosaic);
large planting tubs/pots; wooden sleepers;
wooden pallets

We appreciate that some of these items are quite large and if you need us to collect them from you, please contact the office and we can make arrangements to do so.

If you have any donations, please give them to the school office.

Many thanks
Mrs Field

World Penguin Day

WORLD PENGUIN DAY

On Tuesday 25th April it was **World Penguin Day**, a day to appreciate and consider these remarkable aquatic birds and their place in our world. The day coincides with the annual northern migration of Antarctic penguins.

The day is aimed at raising awareness of penguins, many species of which are endangered. Currently there are a total of eighteen species of penguins and thirteen of these species are either listed as 'threatened' or 'endangered'.

Here are some fun facts about these amazing birds:

Penguins cannot fly - although they are birds and have wings, they can't fly. Penguins use their short, paddle like wings as flippers for swimming.

Penguins are skilled swimmers - Emperor penguins can swim up to 500m deep into the ocean and can stay underwater for up to 22 minutes.

The **Gentoo** penguin is the fastest species of penguin. It can swim up to 22 miles per hour.

Penguins are expert divers!

Penguins are highly social animals

Penguins poop every 20 minutes!

Once a year penguins lose ALL their feathers in one go - imagine losing your hair once a year? Don't worry - it always grows back two to three weeks later.

Stay & Play

All Stay & Play sessions will be cancelled next week. Stay & Play sessions will continue on Wednesday 10th May but there will **not be a session on Thursday 11th May**.

The maximum amount for any one session is 20 children, so please **DO NOT** attend if it is not your allocated day.

Sessions have now gone up to £1:00 per session as explained by Mrs Canham. Thank you for your understanding

We are trying to develop the outdoor area by the community room where our Stay & Play sessions are held so that the children can utilise the area (when the warmer weather eventually comes). We believe it would be great to be able to do some outdoor learning with the children, therefore we are kindly asking for the following donations:

Good quality toddler bikes
Trikes
Scooters

Also if you are a landscape gardener, work for somewhere like Wickes or B&Q, we would appreciate donations of offcut fake grass for the outside area.

If you are able to help with any of the above items, please give them in at the main office. Thank you in advance

Babies in Pushchairs

Dear Reception parents/carers

A number of parents /carers have been leaving their pushchairs with babies in with me at the end of the school while I man the Reception exit.

I love being able to help but if there was an emergency I would have to leave. Based on this, I kindly ask that you take babies out of pushchairs and in with you when you collect your child/children.

Kind regards
Mr Jeffery
