

King's Coronation

*The King's
CORONATION*
MAY 6, 2023

Today the whole school celebrated the Coronation of King Charles III as he becomes our new monarch this weekend. The children celebrated by wearing something **red, white and blue** with their school uniform and lots of our staff got involved too.

Unfortunately, the weather stopped us from having our planned picnic but we had had a fantastic coronation lunch 'street party style' indoors.

The children have been learning all about the King's coronation. Here are 10 facts for you:

1. The coronation takes place at 11.00am on Saturday 6th May 2023.
2. The official dish of the coronation is a coronation quiche!
3. We get an extra bank holiday day for King Charles' coronation.
4. The coronation will take place in Westminster Abbey, London.
5. The coronation procession route is much shorter than Queen Elizabeth's.
6. During the ceremony, Charles will sit in an old wooden chair called the Coronation Chair, which was made in 1300!
7. King Charles will wear the St Edward's Crown and Queen Camilla will wear Queen Mary's crown.
8. The King has asked for 12 musicians to create music for the coronation.
9. There are 2,000 people attending.
10. King Charles III has a special coronation emblem (see right)

Attendance 24th April - 28th April 2023

Well done to the following classes for achieving the highest attendance percentage in their Year Groups :- over 96%. The minimum target for attendance each week as set by the Government is 96%.

Year Group	Class	Attendance%
Year 1	Acacia	99.1%
Year 2	Maple	98.3%
Year 3	Cherry	99.1%
Year 4	Beech	96.6%
Year 5	Sycamore & Willow	97.4%
Year 6	Olive	100%

During the above period our overall school attendance was 96.6%. Well done to **Olive** class for getting **100%**. Excellent effort children.

Year 6 SATs

Next week our Year 6 children will be taking their SATs test from Tuesday 9th May - Friday 12th May. The children have been working really well to prepare for these tests and our Year 6 staff have been working extremely hard to support them.

During the SATs week it is vital that children attend school every day and arrive on time. We would be very grateful if you ensure that your child gets to bed at a reasonable time during SATs week so that they are well rested.

We have found that children benefited hugely by attending our 'pop up' Year 6 breakfast club. It really helps the children to relax prior to starting the school day and helps relieve any possible anxiety. The club also ensures that the children have enjoyed a generous breakfast that we refer to as 'brain food'!

ALL Year 6 children are expected to attend the breakfast club. This club is **free**. The children will be provided with cereal, toast, fruit and drinks and given the opportunity to 'let off steam' before settling down to take their tests.

Breakfast will be served from 8.00am until 8.30am and will be available from Tuesday 9th May through to Friday 12th May in the Shiny Hall. Siblings are welcome to come along and join the normal breakfast club. From the breakfast club, the children will go out for some fresh air and then to class with their teacher.

The club settles the children wonderfully and sets them up for a relaxed start to their day surrounded by their friends. It has been a huge success in previous years and we look forward to welcoming all of the children to the 2023 Year 6 breakfast club.

I look forward to seeing your child there.

TfL STARS 'Top Newcomer Award'

Exciting news - Chase Lane Primary School has been announced as the regional winner of the TfL STARS 'Top Newcomer Award' for North London! This recognition comes after the school was awarded a Bronze, Silver, and Gold award via the TfL STARS initiative. We're thrilled that the judges were impressed by the school's efforts to promote active travel and decrease the number of cars on the school run, which have helped to improve air quality, road safety, and children's health in the local area.

As regional winners, Chase Lane has also been invited to the TfL STARS Top Schools Event at the Kennington Oval on Monday 22nd May. Four student representatives and a member of staff will attend and celebrate our success. The event will include two creative interactive sessions that aim to recognise and inspire students to become the green leaders of the future.

A great start for babies and young children

Everyone wants the best for their children, but it can be hard to know what to do as a parent in the early years. That's where HENRY comes in.

The HENRY programme is free to join and helps you give your child the best possible start in life.

"This programme changed my life."

www.henry.org.uk

About the programme

The programme is for parents or carers of children aged 0 to 5 years old. It is free to join.

Everyone wants the best for their children, but with so much conflicting advice it can be hard to know what to do for the best as a parent, especially in the early years.

The HENRY *Healthy Families: Right from the Start* programme is running locally. Join the thousands of families across the country who have benefited from the support and tips it provides for young families.

Research shows that the key ingredients to ensuring babies and young children have a healthy start in life are:

- Parenting confidence
- Physical activity for little ones
- What children and families eat
- Family lifestyle habits
- Enjoying life as a family

The programme covers these 5 themes across 8 weeks and provides everything you need to help get your little one off to a great start.

Weekly sessions

Each week helps you provide a healthy, happy, supportive environment for the whole family.

Week 1 – Decide what changes you want to make and set your own goals

Week 2 – How to juggle life with young children so you all get what you need

Week 3 – How to respond to children's needs without giving in to all their demands

Week 4 – Positive mealtime tips for a happy family – reducing mealtime stress for everyone

Week 5 – Ideas for active play to help children learn, develop and stay happy

Week 6 – Food groups, food labels, portion sizes for under 5s, first foods, and snack swaps

Week 7 – Understanding and managing your child's behaviour for a happier home

Week 8 – Celebrate your success as a parent and plan the future for your family

"I highly recommend it. It was brilliant."

Is the HENRY programme for me?

The HENRY programme can help everyone with a baby or young child. Every parent who joins learns something new and useful.

If you have at least one child under 5 years old and can answer 'yes' to any of the questions below then HENRY is for you:

- Would you like to feel more confident as a parent?
- Would you like some support to give your child a healthy start?
- Do you wish your child would eat more fruit and vegetables?
- Would you like to reduce mealtime stress?
- Would you like to enjoy being active together as a family more often?
- Are you interested in some ideas to get children away from the TV?

What is HENRY?

HENRY is a UK charity working to give babies and young children a healthy start in life.

What do other parents say about it?

- 97% of parents would recommend it
- 89% feel more confident as a parent

"I'm so glad I did this programme. Do it!"

"This was the best thing I could possibly have done to help me be a better mum"

What do I get on a HENRY programme?

Every parent joining a HENRY programme receives a HENRY toolkit which includes everything you'll need during the programme and helpful resources to use in your family.

The HENRY toolkit will help you give your child a great start in life, get the whole family involved, and keep track of how well you're doing.

The HENRY Parent Toolkit – free to everyone joining a HENRY programme

How can I join a programme?

HENRY programmes are running locally. Talk to your local Children's Centre or Family Hub, Early Intervention or Family Support Service to find out more, help you decide if you would enjoy it, or to join a programme.
