During the above period our overall school attendance was 96.1% .

Peace Garden Mosaic Design Competition

A huge thank you to all of you who entered the Mosaic Design competition - we had hundreds of entries and raised over £110!

The group of children working on the Peace Garden now have the unenviable task of trying to pick a winner - this will be particularly hard as the designs received are all amazing! We hope to bring you news of the winner next week.

Thank you again for your designs and contributions!

Mrs Field
Forest School Leader

Writers of The Week

Our writers of the week are children who have performed their own personal best in their writing. We congratulate them on being superstar writers! This week our writers comes from **Year 5** and they are:

- Hivay - Hazel class
- Juliya - Sycamore class
- Margarett - Willow class

You can check out their impressive writing on pages 4-9 .

Well done children!

Blossom Stay & Play

The parents at the three Stay & Play sessions thought it would be nice to be a part of the school by having a name for the group that tied in with the class names in school and the tree theme.

There was a vote with over 45 parents involved, and the name that was voted for was '**Blossoms**' Stay and Play.

We will be organising a special name plate for the door to show off the new class name.

Mrs Canham
Outreach Worker

Sycamore Class Swimming Lessons

Parents/carers of children in **Willow** class are reminded that from Monday 19th June - Friday 30th June, the children will begin swimming lessons.

The children will walk to and from Larkswood Swimming Pool, with their class teacher and a member of support staff. Please note, the lessons are in 2 week blocks, meaning the children will have 10 straight lessons.

Please remember your child will need a £1 coin (returnable) for the locker.

Transition Day 10th July 2023

On **Monday 10th July**, we will have our whole school transition day. Transition is where the children get to meet their new teacher for the new academic year 2023/2024.

Children will spend the whole day in their new classroom with their new teacher; this will include having lunch. They will come in to school and line up with their new class teacher. All class teachers will be holding up a name card with the class and teacher name clearly printed, so that you will know where your child will need to line up.

This year we are doing things slightly different and the children will also spend the mornings of **Tuesday 11th July and Wednesday 12th July** in their new classes.

Children moving from Year 2 to Year 3 will line up in the KS2 playground on all three mornings. They will then be taken to the main hall where the class teachers will take them safely up to their new classrooms.

On the afternoon of Tuesday 11th and Wednesday 12th July, Year 2 parents/carers will collect their children from the KS1 playground.

Full details of the new classes and teachers will be provided soon.

No Smartwatches Allowed

We have noticed a small number of children wearing smartwatches to school. Children are not allowed to wear these watches in school.

Thank you in advance for your support.

Warm Weather Protection

To stay protected from the sun, parents/carers are kindly reminded to apply sunscreen to your child before they come into school. Children should also wear a sunhat if possible and have a bottle of water to keep them hydrated throughout the day.

Thank you for your support

Dear Govenor Adori,

My name is Isabella (your daughters best friend) and I am writing to you to stay on the island and protect your people. You must stay there because there is a killer on the loose! If you do not stop this, things will not end very well.

Firstly, a girl has been killed (who is only

around your daughters age) and everyone in Jaya is terrified. Consequently, children are being harmed while you are reading this. If you do not act fast, the world's population can decrease! As a result, adults do not want to send their children to school. How will you stop this? People could be dying every second! The killer is looking around for it's next victim.

Secondly, there is no help to catch this killer. This world may end very quickly just because of this killer. You are our guardian and our protector. You can start saving people's lives now!

To conclude, you must stay at the island. I think this because it will be a good thing to do. Also, it will make people happier to put the killer behind bars.

Yours faithfully,

Isabella

Hello Luppy

I miss you.

When are you coming back!

It feels like a blank room with nothing in it.

I know you still hate me for yelling at you.

*I am a horrible best friend I know;
I'm sorry.*

I wish you could forgive me for what I did?

Are you still angry at me?

Remember how much fun we both had together and how it was your birth day?

I got you a map and we both went exploring through the forest and you fell in a puddle splashed me and we were

both laughing like hyenas.
Those were the times that I miss
so much.

When are you coming back?
It's been ages.
Convinced your dad to come back
please I don't want to lose you like
Carter so please come back.

Love Isabella
