

Learning about what happens when school is closed.

My school is called Chase Lane Primary.

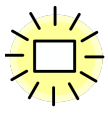

At the moment Chase Lane Primary school is closed.

This is because of a new rule that says all the schools

must be closed.

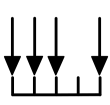

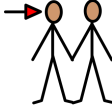

This new rule is to keep the children safe and well.

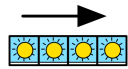

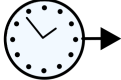

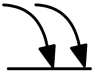

The rule has been made because of coronavirus.

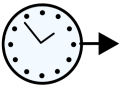

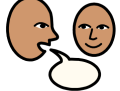

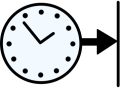

Coronavirus is a germ that can make people unwell.

 Most of the children are staying at  home. They are doing 

 work at  home.

 In the future the school will  be  open again. 

 Mr Jeffery will  tell  the children  when it is  time to

 come back to school.

 Now I can  try and do  my  learning at  home.

At home the rules are that the  mummies and  daddies  choose

 what I do.

 The  parent's  job is to choose the  learning that  I do.

 I am a  child and  I can  listen to  my  parents because at

 home, the  parents are  in charge and  they  decide what  I can

do.

 My  parents will be very  proud of  me if  I  listen to  them

 when  they are  choosing  my  learning  tasks.

 My  teacher will  also be  proud if  I  do the  learning

 that  my  parents are  asking  me to do at  home.
