Tuesday 16<sup>th</sup> June 2020

Dear Parents and Carers,

### **RE: Public Transport**

We hope that you and your families are well. Due to the recent update from TFL, where all users of public transport will be required to wear face coverings, we are writing to you to clarify what schools have been advised.

### **Face coverings**

- To reduce the risk of pupils wearing/bringing contaminated face coverings into school please can pupils using public transport wear a reusable mask/face covering when arriving and leaving school.
- The mask/face covering must be removed and double bagged before the pupil enters site (If the mask is disposable this must be discarded safely)
- Pupils must wash their hands/sanitising before entering the site.
- The mask must then be taken home and **washed** before being used again.

### **How to use face coverings**

It is advised you wash your hands before putting on, taking off, and after removal of the face covering. Ensure it covers your nose and mouth and double bag the face covering after use and to use a separate face covering for your home journey/ every time they remove the face covering.

We are still asking parents and pupils to **avoid** public transport wherever possible and only use it if **absolutely necessary**.

Kind regards and the best of health.

Mr Jeffery
