

Support with accessing food over school holiday periods

If your child is eligible for free school meals and/or you are worried about having enough food this holiday period, please speak to Mr Jeffery so that we can support you. The school will work with you to ensure that all support is discretely provided. Our normal support for families in this situation includes food vouchers.

We know that sometimes families are faced with unexpected difficulties during the school holiday, or when the school is closed. During these times families can contact the school on **chaselanepri@clpwaltham.org.uk** or 0208 529 6827 and we will get back to you within 48 hours. Alternatively, you can find information on getting support with food and financial problems on the Waltham Forest Council website; **www.walthamforest.gov.uk**
